

Dear XXX,

I am writing in reference to Mike Randall and The Big Blue Trunk. I have worked with Mike both professionally and as a customer of his business and can only speak highly of him.

After reading more than a dozen 5-star reviews about The Big Blue Trunk on Findandgoseek.net and receiving recommendations from friends, I hired Mike for my son's 4<sup>th</sup> birthday party last spring. It was a beautiful day and Mike arrived on time with his Big Blue Trunk in tow to transform our backyard into any child's dream play space. My three boys were immediately intrigued and were eager to help him set up for the party. Mike engaged them, gave them good instruction and quickly created a friendly, professional and playful rapport with our family. As kids arrived for the party, the games and activities began. All of the games were age-appropriate and entirely fun. Mike was great with the kids (and adults) and moved the party along seamlessly. He ran the show and did so in an entertaining and respectful manner. It was the easiest, most fun party I have thrown and would absolutely hire Mike and The Big Blue Trunk again.

Professionally, I am a marketing consultant and have been working with Mike to help him better market and advertise his incredible business. He is receptive to ideas, eager to implement them, and asks thoughtful questions.

Mike is extremely hard working and professional. He brings great joy and excitement to parties and events with his Big Blue Trunk.

I highly recommend Mike and The Big Blue Trunk for any public or private function.

Sincerely,

Elzy Wick
