To Whom It May Concern:

It is with great pride that I recommend Mike Randall of Big Blue Trunk for any and all children's entertainment. I have witnessed Mike's spirited enthusiasm and impressive energy come alive at many of his public or private events and the kids always have a great time. In fact, I'm not sure who gets more of a workout, Mike or the kids! With Big Blue Trunk he does it all, which makes the client's life that much easier. I strongly recommend Big Blue Trunk for making any children's extravaganza a memorable one.

Sincerely,

Jamie Polli
