To whom it may concern:

It is with great pleasure that I write a letter of recommendation for Mike Randall and the Big Blue Trunk. Each year at Make-A-Wish® Vermont we host a signature event, our Walk for Wishes. It is a short three mile Walk followed by a Celebration of Hope. Our wish families, volunteers, supporters, Board Members, staff and the general public are invited to come together to raise money and awareness for our organization. Two years ago The Big Blue Trunk came to our Walk and was by far the biggest hit of the day. Children and adults of all ages enjoyed the equipment supplied by Mike. The following year we did not reserve Mike in time, he had another engagement, and boy did I hear about it. I made sure that this year I called him well in advance. The most consistent feedback I received from the attendees of our Walk was, they were so glad Mike was back or if this was their first encounter with Mike they wanted to know if I had his business card.

Like our wishes only being limited to the imagination of our wish children, Mike supplies entertainment that takes on a life of its own depending on who is engaged with it. From the youngest to the oldest, the Big Blue Trunk is a smashing success. I think it is true that pictures say a thousand words. Here is testimony of the simple joy The Big Blue Trunk can bring to anyone.

Sincerely,
