To whom it may concern,

Our library has hired Mike Randall to lead our end of the Summer Reading Program extravaganza for the past four years so I feel quite qualified to write this letter of recommendation for him.

Mike is every Library Director's dream program presenter! He is prompt, cordial, personable and hard-working but his rapport with children is where he even outshines himself. Mike has a great knack for coming up with appealing games and activities each year. And best of all, he encourages everyone's participation and really connects with the kids. Mike actually plays WITH them!!

We are very grateful that The Big Blue Trunk comes back to us each August so I am pleased to give Mike my full, unreserved support and appreciation.

Sincerely,

Diana Cleborne
Director
