To Whom It May Concern;

I was happy to be asked to write a reference for Mike Randall and his company, The Big Blue Trunk. My role at the Y is to oversee 20 AfterSchool programs and one of the benefits we are able to offer our children are new fun and enriching experiences. Mike has been offering enrichment to our programs for more than 5 years!

Mike has visited most of our AfterSchool programs and continues to be one of our most popular visitors. Mike has an energy that children and staff really enjoy and he offers children an experience like no other I have seen. Whether the children are wearing great big pants to catch balls, jousting, or using catapults, they always have smiles on their faces and are having a great time!

Mike can be very high energy and fun but he also has a professional side that is appreciated. Mike honors the dates he sets up with Directors, he arrives on time and is always well prepared. Mike also invoices the Y in a timely manner.

I would highly recommend Mike for any event. Those involved would be guaranteed a great time! If I can answer any other questions, please feel free to contact me.

Sincerely,

Julie Peterson
